- Recognised ILM Level 7 certification
- Practical implementation strategies
- Higher coaching standards
- Reduced people and reputational risk
- Stronger leadership and performance outcomes

Actuate does not just teach theory. We help you build a supervision capability that strengthens coaches, protects teams, and improves results.

Actuate Global offers an exceptional, highly professional service, delivering deep and meaningful insights on every topic.

My experience with their courses has been truly invaluable, and I would gladly enrol again without hesitation.

I strongly recommend Actuate Global to anyone seeking top-quality training and expertise.

Career Impacts

ICF research shows that, 67% of coaches using supervision choose to work with a trained or certified supervisor, demonstrating a clear market preference for recognised, professionally qualified practitioners.

Completing this Coaching Supervisor Certification enables you to meet that demand, enhancing your credibility, building trust with prospective clients, and helping you stand out in an increasingly competitive coaching market.

Delivered with the prestige of an **ILM Level 7 qualification**, a diploma at postgraduate degree level, and backed by **City & Guilds**, this programme signals advanced professional capability and externally recognised excellence.

For experienced coaches seeking to expand into supervision, attract higher-value opportunities, or future-proof their practice, it offers both a respected credential and a strong commercial advantage.

Why This Matters

In today's fast-changing business landscape, supervision must do more than offer reflection.

If you are looking for a structured way to enhance coaching quality and fill gaps such as inconsistent standards, unclear ROI, limited accountability, unmanaged risk, or a lack of governance around AI-supported coaching, this qualification is designed for you.

Supervision must:

Improve coaching effectiveness

Protect organisational reputation

Manage ethical and commercial risk

Strengthen accountability and standards

Support measurable ROI from coaching

Prepare organisations for AI-supported coaching environments

The Certified Coaching Supervisor programme equips you to do exactly that.

Who is this designed for?

This certification is designed for professionals who want to supervise coaching with structure, credibility, and commercial impact.

Coaches & Practitioners who want to add supervision to their practice, raise professional standards, and strengthen market credibility.

Future-Focused Professionals working in AI-supported coaching environments who need supervision methods for hybrid human + AI coaching models.

Organisations & HR Teams seeking a scalable supervision model that protects reputation, improves ROI, and supports rollouts or licensing.

Internal Coaches, Leaders & Managers responsible for coaching quality, consistency, performance outcomes, and safe practice.

The Modules

The Role of the Modern Coaching Supervisor

Define and position coaching supervision as a performance, governance, and value-driving function within a modern organisational context.

Supervision Models and Frameworks

Apply recognised supervision models and frameworks to structure consistent, purposeful, and effective supervision across different contexts.

Ethical, Risk, and Governance in Coaching

Identify and manage coaching risks while upholding ethical standards, boundaries, and professional governance in supervision practice.

Graduation Day

Completing the Certified Coaching Supervisor programme is more than finishing a qualification - it is a professional milestone worth recognising. You will be invited to an in-person graduation day created to celebrate your achievement and mark the beginning of your next chapter.

The event brings together fellow graduates, guest speakers from the worlds of coaching, leadership, and organisational development, and the wider Actuate community. It is an opportunity to step away from day-to-day demands, reflect on your progress, and celebrate alongside others who have shared the journey.

During the day, you will receive your physical ILM certification, your Actuate Certified Coaching Supervisor certificate, and your digital credentials, formally recognising your achievement as a Certified Coaching Supervisor.

Following graduation, you will also become part of the Actuate alumni network, with continued access to events, insights, and professional support as your career and practice continue to grow.

ALWAYS AHEAD

Post-Graduation

Post-Graduation You Will:

- **Join a Global Network of Governance Leaders** - You will gain access to a global network of senior leaders, offering ongoing networking opportunities, exclusive events, and peer connections that strengthen your impact.
- **Receive Comprehensive Post-Graduation Support** - Your success is our priority even after graduation, with personalised support including CV and LinkedIn optimisation, career coaching, and tailored role-search guidance to help you confidently progress your career.
- **Access Continuous Development Opportunities** - As a leadership and management certified professional and member of our alumni community, you'll gain ongoing access to updated learning resources, annual refresher assessments, and long-term support, helping you stay current, connected, and effective throughout your executive career.
